Unit 1: Triangle Squares:

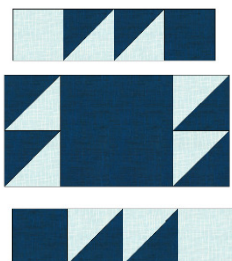

Layer the light and dark 3 7/8 "squares right sides together.

With the light on top, draw a diagonal line from corner to corner on the light square. Stitch 1/4 " inch on both sides of the drawn line.

Cut apart on the drawn line. Press toward the dark.

Following the block diagram below, lay out the Squares and Triangle Squares into 3 rows. Sew these units into rows. Sew the rows together.

Enjoy your block,
